

THE STICK

Vol. XIX No. 7

Weds. June 1, 1955

Goodbye Forever
To Sweethearts & Pals

STICK Shake-up

Those people who were seen wandering about the campus this past week in flowing black robes were not Arabs, not members of a new secret society, and not Oxford scholars. They were merely seniors, announcing to the rest of the school that their stay with us is about to terminate.

These Seniors were with us for four productive years, and their absence next fall will not go unnoticed.

It is with a strong feeling of pride that we see them go, for we know that they will add to the number of alumni whose excellence in teaching is testimony to the standards of F.T.C.

~~1955~~

SEPTEMBER IS STICKER MONTH

One of the great problems in every city at the present time is lack of adequate parking space. This dilemma is even being encountered here at F.T.C. Any harassed commuter who has tried to find a parking place at 8:25 in the morning knows this only too well.

In an effort to improve parking facilities, stickers will be issued to students who have cars. Only those who use their cars to commute, or resident students who need them for business reasons, will be allowed to have stickers. No student may park a car on school property at any time. Resident students who do not have stickers will not be allowed to park

(Continued on pg. 2)

The student organ of expression of F.T.C. has been completely re-vamped so that it may become a functional newspaper. The Stick will be a bi-monthly, beginning next semester. The first issue will appear about September 30, 1955. The Stick staff is headed by George Giacompe. The Feature Editor is Barbara Barton, and the News Editor is Gilbert Trembley. To assure the success of your school newspaper cooperate by being prompt in your contributions and do contribute. If a newspaper is to be considered an organ of the students, it follows that the students must contribute toward it.

In order to maintain close contact with events which take place, five staff reporters have been appointed, each of whom will be in charge of one segment of the news. They are:

B. Gay.....Club Activity
Pat O'Brien...All School Events
Helen Kelley.....Assemblies
Rita Scola.....Sports

Despite this arrangement, students should not make the assumption that everything will be given the attention it deserves. After all, no one is infallible, and we may miss a detail occasionally. Therefore, anytime you have anything which you consider newsworthy bring it to the attention of any Stick member.

Suggestions on how we could improve the paper in any way will be welcome. We hope to be able to provide a good campus newspaper in the fall.

STAFF

Editor in Chief...George Giacompe
Feature Editor....Barbara Barton
News Editor.....Gilbert Trembley
Product. Mgr.....John Cameron
Business Mgrs.....Judy Connors
 Bill Barnesley
Secretary.....Deborah Eaton
Staff reporters.....Helen Kelley
 Pat O'Brien
 Rita Scola
 B. Gay

AWARDS

Dean Conditke announced last week that the freshman prize for proficiency in chemistry was awarded to Judith Coolidge, freshman nurse.

It was also announced that the scholarship committee of the North Worcester County Association for the advancement of retarded children had awarded its annual scholarship to Marie Miller, class of '56.

CO-OP SEES RED

At a recent meeting of the Co-op Council, it was decided that the only way that the Co-op can continue to operate effectively is to raise student Co-op dues to \$2.50 a year, beginning in September. Last year, the Co-op operated in the red.

For anyone who is interested in how the Co-op money is spent, an itemized budget has been posted in the lobby of the Administration building.

STICKLERs

(continued)

around the campus at any time. At first glance, this ruling may seem discriminatory to resident students, and nothing more. However, it is felt that by not allowing their cars around or on campus, it will make more space available for those students and instructors who have to use their cars in order to get to school.

ELECTION RESULTS

CLASS OF 1956

President.....Peter Eonnors
Vice President.....Rita Scola
Sec.....Edwina Blazojewski
Treasurer.....Bob Graham
CO-OP.....Russ Gleason
